Halo 3: ODST, the third installment in the Halo franchise, is a 2009 first-person shooter developed by Bungie and published by Microsoft Game Studios. The fourth installment in the Halo franchise. The game's plot will develop thousands of years before the events of Halo 3: ODST. The action takes place in a world called "Galaxy" (or simply "Galaxy"), in which more than four billion years ago the civilization of people was at a low level of development, and only a few thousand years later began to develop. People then were only a small part of a developed highly developed space civilization. It was a world where, unlike the real world, there were no gods, no chaos, no evil.
